

HOMEWORK 1

*Assigned: January 20**Due: January 27*

- Complete problems 1.3 – 1.5, 1.8, 1.12, 1.14, 1.18 and 1.26 from chapter 1 of the text.
- Problems 1.10 – 1.24 ask you to learn about important computer scientists. You are required to do 1.12, 1.14, and 1.18 above. Now choose *two additional* problems/people from 1.10 – 1.24 and do those as well. Don't go overboard with the biographical details – stick to the question and keep it to just a few sentences.

You may submit either hand-written or typed answers.
