

## HOMEWORK 2

*Assigned: January 27**Due: February 3*

*Due in-class on Monday, February 3.*

Complete problems 2.6, 2.11, 2.18, 2.22, 2.32, 2.33, and 2.34 from chapter 2 of the text.

Use JES to check yourself for any question asking about output. First guess at the output, then check yourself. If your guess was wrong, say so in your homework and describe where you believe you went wrong.

You may submit either hand written or typed answers. Complete this assignment individually, not in pairs.
