  1   2   3   4   5

- Citations were present and properly used.

  1   2   3   4   5

- Overall, the writing style and mechanics contributed to my ability comprehend the material.

  1   2   3   4   5

- Overall, the paper's structure and organization contributed to my ability to comprehend the material.

  1   2   3   4   5

- I am interested in this subject matter.

  1   2   3   4   5

- I am comfortable with technical knowledge needed for this subject matter.

  1   2   3   4   5

- Write one clarifying question that you'd like to ask the author. A clarifying question should shed more light on the basic material without going on beyond the core topic.

- Write one probing question that you'd like to ask the author. A probing question should dig past the core topic and the immediate material presented in the paper.

- Additional Comments
